Digitally sealed by the European Commission

Date: 2023.09.15 05:15:49 CEST

This electronic receipt is a digitally signed version of the document submitted by your organisation. Both the content of the document and a set of metadata have been digitally sealed.

This digital signature mechanism, using a public-private key pair mechanism, uniquely binds this eReceipt to the modules of the Funding & Tenders Portal of the European Commission, to the transaction for which it was generated and ensures its full integrity. Therefore a complete digitally signed trail of the transaction is available both for your organisation and for the issuer of the eReceipt.

Any attempt to modify the content will lead to a break of the integrity of the electronic signature, which can be verified at any time by clicking on the eReceipt validation symbol.

More info about eReceipts can be found in the FAQ page of the Funding & Tenders Portal.

ROLES AND DUTIES OF LEAR

1. What is a LEAR?

LEAR stands for **legal entity appointed representative**.

For organisations (i.e. not individuals), this is a person formally appointed by the legal representative of the organisation to perform certain tasks on behalf of their organisation, as part of its participation in EU funded grants, procurements and prizes that are managed via the EU Funding & Tenders Portal - the EU's dedicated website for funding and tenders

Individuals automatically have the role of LEAR.

2. What can LEAR do?

As a LEAR you can :

- view your organisation's legal and financial data in the Portal's Participant Register
- ask to validate **updates of** this information where necessary
- monitor whether or not this information is **validated**, and when
- monitor all uses made of your organisation's **participant identification code (PIC)**.

3. What must you do?

As a LEAR you have certain formal obligations:

- **provide** up-to-date legal and financial data (including - on request - supporting documents) on your organisation.
- maintain and **update** this data (*i.e. enabling it to be used for contracting and other transactions & between your organisation and the EU*). This means you must **regularly check** that the data is correct and immediately request changes.
- enter and update the names of the colleagues authorised to act as **legal representatives and signatories** for your organisation. These are people who are able to commit your organisation legally by signing grant agreements or contracts and authorising amendments to them.

You must also **revoke** this assignment for any colleague who no longer has these powers.

- enter and update the names of any colleagues authorised to **sign financial statements or invoices** on behalf of your organisation.

You must also **revoke** this assignment for any colleague who no longer has this authorisation.

- share your organisation's **PIC code** with colleagues who might need it for dealings with the EU (e.g. to submit proposals for funding or tenders via the *Funding & Tenders Portal*).

! All tasks must be done directly in the Participant Register.

4. Delegating your rights and duties to others

You can delegate any of the rights and obligations listed in sections 2 and 3 above to one or more colleagues, who will act as **account administrators**.

To do so, you must nominate them for this role using the identity and access management module in the Participant Register.

These account administrators can NOT then delegate these rights/obligations further, to other people.
